

SUPPORT FOR SCHOOLS

A world of career possibilities

We help young people find their route through education into employment and provide employers access to their future talent. Working with employers, parents, and schools, we connect young people to a world of career possibilities, equipping them with knowledge and skills to make their next best step.

EVENT DELIVERY

Form the Future delivers a bespoke offer in-school, out-of-school and through online events to students and their parents/carers attending mainstream primary and secondary schools and colleges, FE colleges and sixth forms, alternative provision and SEND settings. We also work with schools and multi-academy trusts to support the delivery of their Careers Education Information Advice and Guidance offer, linking to the Gatsby Benchmarks and bringing the world of work and careers education alive for students, teachers, and employers alike.

DELIVERY LOCATIONS

Cambridge, South Cambridgeshire, East Cambridgeshire, Fenland, Huntingdonshire, Peterborough, Suffolk and surrounding counties. Form the Future is expanding and keen to deliver services into any area.

GROUP SIZES

Form the Future delivers a range of services that can be on a one-to-one basis, to form groups, whole year groups and large-scale events, online and in person. We are not capped by numbers.

YEAR GROUP DELIVERY

Form the Future delivers regularly to year groups 4 to 13, however, we have delivered services for younger students and adults in need of careers services.

TYPE OF EVENTS

All events can be tailored to suit your needs and meet Provider Access Legislation requirements where applicable:

- Employer encounters
- Immersive employer workplace visits
- Careers talks aimed at students, teachers and/or parents
- Careers fairs / carousels
- Interactive careers learning sessions – e.g. Mock Interviews
- Work ready skills workshops – e.g. CV Writing, Mock Assessment Centres & Mock Interviews
- Curated work experience programmes including work experience health & safety checks
- Internship opportunities
- One-to-one careers guidance and advice
- Mentoring sessions

- Teacher CPD
- Networking events
- Online events e.g. Parent Insight Webinars
- STEM outreach programme
- Evaluation and impact analysis

COST

Our work is often funded through the generous support of our partner organisations. Where funding is not available, we also offer paid-for services. Please get in touch to discuss how we could work with you.
